Detail of the union hinge in the version with two half-moons.

Mattress Maintenance:
Periodically rotate head / feet,
up / down and ventilate where expected

**Diameter over 210 cm
split in 2 only**

Possible options for interior equipment:

Rotondo can be realized both in the single piece version and in the version with two half-moons with joining hinge. As for the materials used to produce the mattress, Rotondo is supplied as standard with the classic Bonnel Spring system, but it can also be fitted with independent springs, latex, memory form or polyuretane, including the possibility of having a removable lining.

The offer of this mattress is completed by customizable accessories such as sheets, both in fancy and plain colours, cotton mattress covers, synthetic and natural duvets.
