

Feeling

FEELING

Fabric

The fabric of the FEELING lining is made of elastic stretch and viscose, with FRESH treatment, to avoid the annoying accumulation of humidity and its rapid dispersion in order to guarantee an ideal microclimate. A perfect lining for those who want to feel even more the comfort of materials in Memory, Latex and Foam.

Padding

Without padding.

Washing

60° washable lining.

WARNING!

With this lining the finished mattress is lower than indicated in the price list. Consider about 2-3 cm less than the size of the finished mattress.
