ORGANIC COTTON
ELITE

Fabric

The ORGANIC COTTON lining fabric is made with organic cotton grown in controlled areas without the use of pesticides and chemical additives. The ORGANIC COTTON lining is versatile and environmentally friendly and its peculiarity is to help sweat to evaporate allowing a greater breathability. A perfect fabric for those who want to respect nature.

Padding

Made with 100% fresh and natural cotton fabric and breathable, hygienic and fluffy soft fibre support.

Washing

40 ° washable lining.
